

# **Dear Little Stranger**

*Jim Ailor*

Dear little stranger, asleep in a manger,  
Jesus, our wonderful Savior is born.

There's none to receive Him, none to believe Him,  
None but the angels are watching this morn.

Dear little stranger, asleep in a manger.  
No downy pillow under Your sweet head.  
But with the lowly, our Savior most holy,  
How silently You sleep upon your bed.

Angels descending, and over Him bending,  
Chanting a tender and silent refrain.  
A wonderful story telling His glory  
Unto the shepherds on Bethlehem's plain.

Dear little stranger, asleep in a manger.  
No downy pillow under Your sweet head.  
But with the lowly, our Savior most holy,  
How silently You sleep upon your bed.
