#### CLASSROOM MANAGEMENT

Assist facilitator with classroom management as asked. Ensure any safety issues or behavior issues are communicated to the facilitator and program administrators.

#### ABOUT LUKE'S LEADERS

Luke's Leaders is inviting high school students to work side-by-side with the Luke's Leaders adult volunteers working in the Program. We believe you can provide excellent mentorship to our middle school leadership students. You will be working as a Leadership Advisor for these programs: 8th grade - YMCA Youth in Government, 7th Grade - YMCA Leaders Club, and 6th Grade - Peace Learning Center.

Luke's Leaders is a Leadership Development Program that meets once a week after school. Students learn about aspects of leadership and practice leadership skills by participating in discussions and exercises.

Luke's Leaders partners with the YMCA of Central Indiana and the Peace Learning Center, who provide professional curriculum and certified facilitators to deliver the program.
