Volunteer Responsibilities

We are SO proud of how our program has grown. From 14 students 3 years ago to almost 70 students last year, we hope to grow the program and impact even further this fall! This however is not possible without an outstanding group of St Luke's volunteers:

Here are some basics.

- Student sessions will be on Tuesday, Wednesday, and Thursday nights beginning the week of September 9. The Wednesday sessions are at St Luke's from 5-6:30 pm, the Tuesday and Thursday programs are held at the schools – Northview, Westlane, and Eastwood from 4:30-5:30 pm.
- Your role as a volunteer includes attending 2/3rds of the sessions, get to know students, develop trusting relationships, engage in all facilitated activities along with the students as guided by the facilitators, and call out and address exceptions to expectations.
- Please come and observe a session if you would like before committing.

NEW this year – we need 6 volunteer drivers! Help us shuttle students on Wednesday nights in one of our newly purchased passenger vans. These vans are like driving an SUV or minivan and DO NOT require a special license or training.

THANK YOU for your thoughtful consideration and willingness to help. To volunteer or for more information please contact Carl Potenza @ (317) 989-3995 or cepotenza@att.net or Tom Lange @ (317) 697-1177 or tom.c.lange@gmail.com
